Presentation

Guest tables are set on white linens and our fine bone china with either green or white napkins.

(If a host is bringing in their own linens for their event, they should be brought in the night before at the very latest.)

Each table will also have a small budvase arrangement with fresh flowers. Should custom flowers be desired, please ask the events coordinator for a quote. Hosts are welcome to bring their own decorations such as balloons, banners, centerpieces, etc. and set up 30 minutes prior to their scheduled event. Confetti is not permitted at the tearoom. A fee of \$50 or more will be charged if brought in and we will ask you to clean it up. Food will be presented on three-tiered trays in two courses: first course to include cold beverage and salad and second course to include hot teas and tiered trays of all other menu offerings for the selected package.

All food service will stop promptly 2 hours from your reservation start time. At this point, the cake will also be taken to be cut and served.
